Subject: Call to discuss next steps on Bristol Bay effort

Mike/Jeff:

I hope you both are well. We would like to set up a quick call with you to discuss next steps on the Bristol Bay effort. Specifically, we would like to accomplish the following three items:

Ex. 5 - Deliberative

Can you participate in a call on either 3/8 or 3/11 in the PM?

Thanks, Palmer

Subject: SOW

Michael and Jeff,

Here is the work assignment as it stands now. This one was just submitted as a revision. The WA in place is very close to this.

I have also included a recent paper from UW in Nature that will give you some very good background.
